

Redeemer Radio is a non-profit Catholic radio apostolate broadcasting across the Diocese of Fort Wayne-South Bend on two stations, WRDF, 106.3FM and WRDI 95.7FM. We are talk format airing both national and locally produced programming.

## **Internship Position: Radio Production**

This will prepare you for a career in audio engineering and give you the technical ability to edit podcasts, talks, audio for video, and more.

### **Duties and Responsibilities**

- Learn to use Adobe Audition in single track and multi-track modes
- Use effects such as limiters to improve audio quality, optimal export settings, tagging mp3s, embedding album artwork, and uploading for podcast.
- Record and edit audio for program segments, short form spots and possible full shows

### **Qualifications**

- Currently pursuing Bachelor's degree in applicable field
- Although this intern need not be Catholic, knowledge of the Catholic Church is preferred
- Interest in learning about Catholic radio and the local Catholic community
- Strong work ethic and attention to detail
- Excellent critical thinking/problem solving skills
- Willingness to learn on the job and share experiences with other members of the team

### **Availability**

- Redeemer Radio can be flexible with scheduling within station production hours: Monday-Friday, 6am-4pm
- Interns will report to our Fort Wayne studio -- 4618 E State Blvd., Suite 200
